Application No. 09/898,483
Amendment dated September 28, 2006
Reply to Office Action of February 13, 2006

Docket No.: 21736-00009-US

REMARKS

This amendment is a supplemental to the amendment of May 6, 2006. The amendment amends clause f of claim one in order to correct a typographical error.

The last clause of claim one was intended to recite "crediting" an item of a particular type to a particular bidder at a particular price e.g. "a price in a closed interval between the price contained in the price vector and the price contained in the revised price vector". While the claim, as filed was correct, the claim actually presented in the amendment omitted the reference to the price contained in the price vector. The fact that the claim should have read as asserted is evident from the argument at page 24 of the amendment which purports to quote the claim as amended herein.

Applicant regrets the error and request early and favorable action.
